

Hey Middle School Campers!

We are so excited to have you at camp this year! We've got a great week planned for you. We want you to have the best week possible. Here are some ways that you can help that happen.

1. Bring a willing attitude – willing to play games, willing to make new friends, willing to learn, willing to eat great food, willing to have a great time!
2. Bring everything you need - double check your supply list and make sure you've got everything (clothes, bedding, toiletries, towel, shoes/sandals, Bible, water bottle, pillow, flashlight, etc.).
3. Don't bring what you won't need – electronics, anything that will distract you from people, activities, environment, and God while you are at camp (Trust me – you'll be having so much fun, you won't miss anything!).

****Every night we will have themes for dinner dress up. These are totally optional, but a lot of fun to participate in!**

Monday: Star Wars (Just like it sounds ☺)

Tuesday: Red/Purple Color Battle! (Decide ahead of time which color “team” you want to represent. Bring an outfit of clothes that are all that one color to wear on Tuesday! Which will win? Red? Purple? The choice lies with you...)

Wednesday: Wacky (Wear stripes with polka dots. Socks on your hands, gloves on your feet. Get crazy!)

Thursday: Snazzy (Now's your chance to wear your favorite tuxedo t-shirt, bow tie, or fez! Still have some of that dress up jewelry from your childhood? Put it to use again! Be fancy – just keep in mind you are still at camp, with dirt, so, you know, be smart.)

Friday: Superhero! (Just like it sounds ☺ Dress for your favorite superhero, or be your own superhero creation!)

See you soon!
